

Gippsland Stars VNL – Championship Team Coach

Honorary role

Gippsland Area - Traralgon

Gippsland Stars are seeking applications for a coach to oversee and lead our VNL representative Championship team for 2025.

Reports to

- VNL Operating Committee
- VNL Operations Manager

Duties

- Oversee the Championship Gippsland Stars team in VNL.
- With the 23&U coach, plan, program and deliver trainings with emphasis on skill development and fitness suitable for both new and experienced players.
- Lead the recruitment of new players and support player retention.
- Liaise and develop team and club requirements, ideals and expectations with the VNL Operations Manager & Coaching Committee
- Ensure team dynamics are strong and sustainable including the playing group and the coaching panel.
- Provide athletes with direct learning at a practical level through individual, specialist and team coaching instruction.
- Implement the club style of play & strategies across all teams, Development Squad through to Championship level.
- Be available for media and promotional opportunities relating to representative netball.
- Have the ability to engage and encourage the Gippsland region's premier players to be involved
- Attend all Club training sessions, selections and matches where practical.
- Attend & report at monthly coaching panel meetings.

- Attend compulsory Netball Victoria meetings and professional development sessions.
- Assist with the Club's athlete selection process as per the Club Selection Policy, including in competition team selection and player movement between teams.
- Leading the Championship team training, preparation, game day and review.
- Utilizing and maximizing available resources to ensure individual athletes are technically, tactically, physically and mentally prepared to perform to the highest possible standard.
- Assist with the Club's talent identification and junior athlete development programs; i.e. Development Squad

Requirements

- An advanced NCAS netball accreditation for coaching
- Previous demonstrated successful coaching of teams at State Representative Team VNL level, Regional or Association level.
- Previous experience in working independently and as an integral part of a small team.
- Extensive background/experience in coaching Netball
- Knowledge of local Netball in Gippsland
- Understanding of sport culture and organisations, including working with volunteers.
- Ability to set priorities, plan work programs, meet proposed deadlines and manage time effectively.
- High level interpersonal, communication, and leadership skills & the ability to elicit cooperation of a range of people and key stakeholders.
- Preparedness to understand and model the Club values through demonstrating personal credibility, honesty and high standards of integrity.
- Hold a current Working with Children's Check
- Ability to travel on match day and be available for training nights
- During the selection process the candidate must have the ability to scout players throughout the Gippsland League and Gippsland region

This is a paid role and remuneration will be based on negotiation with the successful candidate.
